

The Pearson Trophy

The first 100 Years

Foreword

by Anne Cotton

Chairman of the Pearson Trophy Management Committee

2011 marks the Centenary of The Pearson Trophy – a competition that has given great pleasure to countless golfers from Herts, Kent, Middlesex and Surrey over the past hundred years.

The competition has grown from an entry of 12 clubs in its inaugural year to 176 in 2010. This year's entry of 179 clubs has exceeded all previous records and shows that the competition continues to grow in popularity.

A tremendous amount of hard work goes into running the Pearson Trophy every year, and I would like to take this opportunity to thank the Managers and their Deputies from the four counties for all they do to make the competition such a success. I would also like to thank them for the help they have given me in compiling this booklet.

I hope you will all enjoy reading this short history of the Pearson Trophy. Let us hope that the competition continues for another hundred years, allowing future generations of lady golfers to derive pleasure from playing on other courses and making new friendships through participating in this very special event.

Issette Pearson

(1861-1941)

*A portrait of ISSETTE PEARSON
in her early thirties*

Issette Pearson was born at Gatcombe House in Totnes, Devon, in 1861. When she was four years old her family moved to Birkenhead, where her father set up a successful insurance business. In 1879 he decided to transfer the business to London, where he purchased a house for the family in Northumberland Avenue, Putney.

Issette's golfing career began when she joined Barnes Common Golf Club, where she soon ruled the roost. She moved on to Wimbledon Golf Club and, whilst a member there, in the Spring of 1893 she was influential in forming the Ladies Golf Union. She was appointed Secretary of the LGU and officiated at its first meeting on April 19th at the Grand Hotel, Trafalgar Square. At this meeting a document was prepared, outlining the four goals of the newly-formed LGU, as follows:-

- 1) To develop a handicapping system
- 2) To provide uniformity of rules
- 3) To promote interest in the women's game

- 4) To promote and fund an annual championship tournament

The inaugural British Women's Championship followed in June of the same year. Although

Issette suggested this should be played at Wimbledon, it was decided to hold the championship at St. Anne's Golf Club at Lytham, Lancashire, because the members had purchased a splendid cup for the winner at a cost of fifty guineas. She played in the championship but was beaten 7&5 in the final by Lady Margaret Scott. The following year she lost again in the final to Lady Margaret, this time by 3&2. The latter completed a hat trick by retaining her title again in 1895.

In 1900 Issette turned her attention to forming the Surrey Ladies' County Golf Club (later to be called the Surrey Ladies' County Golf Association), with the objective of playing matches against other counties. The first meeting took place on April 11th in a house in Eaton Square, even at that time a most prestigious address.

Issette Pearson with two of her big supporters, Tommy Miller (left), whom she would marry in 1912, and Dr Laidlaw Purves, a fellow member of Wimbledon, who was her major inspiration in setting up the responsibilities and constitution of the LGU in 1893

Despite being unable to attend due to pressing LGU business, Issette was appointed President, a position she continued to hold until she moved to the North of England in 1913.

Despite being a scratch golfer nearly all her golfing life, Issette took a great interest in those of a lesser golfing ability and wanted higher handicap golfers to be involved in a match play competition. In 1910 she presented the Pearson Challenge Cup (later known as the Pearson Trophy) which was first played for in 1911 and won by Fulwell Golf Club.

Issette's achievements are legendary, both on and off the golf course. In her day she was the only lady who always played off scratch, and she recorded five holes in one. She was made a life member of the LGU in 1914, and was Vice President from 1919 to 1921. She was President of the Veteran Ladies' Golf Association, Southern Division, from 1925 to 1927.

Despite coming from a wealthy background, Issette was not known for wearing fashionable clothes and was considered a redoubtable person and a confirmed spinster. However, she surprised everybody when, well into her fifties, she married Tommy Miller, a widower and founder member of Lytham St. Anne's Golf Club. He was a wealthy man and a generous benefactor to ladies golf in the early 1900s. She set tongues wagging yet again when, after Tommy's death, she is reputed to have had an affair with a vicar who was ten years her junior!

Issette died in 1941 at the age of eighty, leaving behind a lifetime of achievements and a name that will always be synonymous with ladies' golf in the twentieth century.

The history of the Pearson Trophy

*The original
Pearson Trophy
presented by
Issette Pearson in 1910*

*This trophy is now housed
in the British Golf Museum in St Andrews*

In 1910 Issette Pearson started a match play competition for players with handicaps of 1 to 24 and donated a magnificent trophy which was called the Pearson Challenge Cup (later to become the Pearson Trophy). The four counties who were invited to take part were Hertfordshire, Kent, Middlesex and Surrey, and the teams consisted of an odd number of at least seven-a-side, depending on how many wished to play on the day. The four counties were chosen on account of their having the easiest rail access to London. This made travelling to matches more convenient, as at that time the majority of courses were within easy reach of a railway station. Twelve clubs took part

and the trophy was presented to Fulwell, who emerged as the winners of the first competition in 1911. By 1991 the number of clubs taking part had grown to 151, and the 2009/10 competition attracted an entry of 176.

In 1921 it was suggested that higher handicaps should be involved, and new regulations in 1922 stipulated the range of handicap would be between 13 and 30, (30 being the maximum handicap then for LGU competitions). At that time everybody had a professional caddy and there were complaints about some competitors using relatives instead to save money!

The Pearson Trophy came under the jurisdiction of the LGU, but in 1948 there were funding problems. When ELGA was founded in 1952 the Pearson Trophy was handed over to it, and its Secretary attended all committee meetings.

In 1955 the trophy was placed for safekeeping in the British Golf Museum in St. Andrews and a new trophy was purchased. All clubs taking part in the competition were asked to contribute 10 shillings – Hertfordshire gave £9, Kent £8 & 10 shillings, Middlesex £13 and Surrey £19. The trophy cost £40 and the engraving, which included the letters ELGA, cost a further £9 & 10 shillings.

In 1959 ELGA (South East) was asked to finance the competition but it declined. The decision was taken to charge each club an entry fee in order that the competition could become self-funding. Each county appointed a Manager and Deputy who were responsible to ELGA, copying it in on the results. By 1962 the ELGA Secretary no longer attended meetings, and the Pearson Trophy Management Committee was responsible for the competition in its entirety, submitting a report annually to ELGA.

The current Pearson Trophy and its case, purchased in 1955

In 1969 the Pearson Trophy came under the auspices of ELGA (South East) and a report of the year's results and activities was given annually at the AGM.

On 31st December 2007 ELGA was dissolved and became known as EWGA. This new body did not wish to be associated with the competition, which is now run entirely by the Pearson Trophy Management Committee. This consists of an independent Chairman and the Managers and Deputies of the four counties, each taking it in turn to provide the Secretary and the Treasurer.

The magnificent trophy was valued at £200 in 1967 and today is worth in excess of £2,000. It is the responsibility of the winning club to arrange its insurance while it is in their possession.

The Pearson Trophy was not played for during the War Years (1913-19 and 1939-1946). In 1987 the trophy was shared by Herts and Kent, as very inclement weather prevented the final being played.

Finals Day 2010

This year it was the turn of Middlesex to organise the County Finals, and Finchley was the chosen venue on Wednesday 28th July. The Middlesex Manager, Pat Briggs, ably assisted by the Lady Captain of Finchley, Angela Rosenberg, worked tirelessly to ensure that all the finalists and the spectators had an enjoyable day. The weather could not have been better and the course proved to be most interesting and a good test of golf.

The four clubs representing their counties were:-

Sandy Lodge

– Herts

Westerham

– Kent

Muswell Hill

– Middlesex

Wildwood

– Surrey

In the morning Surrey managed to beat Kent and Herts narrowly defeated Middlesex. The standard of golf was extremely high both morning and afternoon, when Surrey managed to win against Herts in a well-fought and exciting contest.

The Wildwood team were overjoyed to win the Pearson Trophy. They had never played in the competition before and, having a very small ladies' membership, did not even have enough players to bring a reserve with the team. They had no trolley pullers in the morning but the Westerham team and their husbands offered to pull their trolleys for the final. Such was the sporting spirit that prevailed all day, much to the delight of all the County Managers and Deputies.

Congratulations go to Wildwood and their Captain, Angela Whittington, on a tremendous achievement in winning the Pearson Trophy at their first attempt. The other members of the team were Mandy Hambidge, Bridget Cozens-Smith, Barb Horne, Karen Berry, Fiona Pullar and Debs Sparham.

The Runners-Up, Sandy Lodge, were represented by Lesley Diamond, Jane Jenkins, Linda Murphy, Cheryl Smith, Jennifer Haynes, Christine Sammes, Debbie Reynolds and Sandra Butters.

The losing Semi-Finalists Westerham were represented by Helen Lejot, Elaine Lee, Jennie Boakes, Frances Spargo, Carol Newman, Val Campbell and Sharon White. The other losing Semi-Finalists were Muswell Hill, whose team consisted of Mandy Miller, Ruth Holmes, Bev Broad, Maureen Campbell, Kathleen Hughes, Noreen Sullivan and Mona Walters.

The Pearson Trophy Management Committee would like to thank Michael Gotlieb, the Secretary of Finchley, and all his staff for the wonderful welcome and all the help given to us during our visit.

Middlesex

It has been fascinating to search in the archives for the history of our involvement in the Pearson Trophy competition. Unfortunately the information was hard to find but Jennifer Wynn (having fulfilled most of the important roles over the years) has been most helpful. Her centenary brochure for Middlesex contained relevant facts without which this contribution would have been somewhat sparse.

Middlesex have been part of the competition, with limited success, since its inauguration. Being the smallest of the four Counties, and with occasional shifting of boundaries, our entry numbers are generally low. This year we are pleased to have twenty

Clubs competing. This is an improvement over the eighteen involved in recent years.

Recent County Managers have been Mrs Maureen Bramble, Mrs M. Northcott, Mrs Carole Henderson and, at present, Mrs Patricia Briggs. Next year Ms Mandy Miller will be donning the mantle.

Being part of the Pearson team is regarded as an honour and the rivalry between the Clubs can be quite intense. Winning the Middlesex trophy means that the successful Club represents us in the Inter-county Finals – striving for the ultimate prize – the Pearson Trophy!

In 1980 however we were successful beating Hillingdon to go through to Inter County Final at Effingham Golf Club in Surrey. In the semi final we surprised everyone by beating regular favourites, Surrey -The Addington Golf Club and in the afternoon final beat Kent - Lamberhurst Golf Club. This win was the first for Middlesex since Grim's Dyke won in 1966 and a remarkable achievement for Barbara Erskine being in both teams.

FINAL

Wildwood (Surrey) v Sandy Lodge(Herts)

RESULT: Surrey 4 - Herts 1 {called in}

The Inter County finals took place at Finchley GC with Muswell Hill drawn against Sandy Lodge of Herts. Wildwood were drawn to play against Westerham of Kent.

Sadly Muswell Hill lost 4-3 in the second of their attempts to make the Inter-County final. They had also won the Middlesex Pearson Trophy in 2008 and are hoping that the next time they do so it may prove to be third time lucky.

Sandy Lodge would go on to lose to Wildwood in the final who would unbelievably win the competition at their very first attempt!
